

BEACHCOMBER

Heatshield™

COVER ENERGY EFFICIENCY

Highly Durable Marine Grade Vinyl Skin
Specially treated to resist moisture, mildew and damaging UV rays, ensuring protection and longevity in any climate

20 Gauge Aluminum C-Channel
Lighter, extra strength and corrosion proof, ensuring structural integrity for the life of the heatshield

Laminate Reinforced Hinge
4 layers of triple stitched vinyl with embedded non-rip laminate provide optimal strength and durability

High Density 100% Virgin Insulating Foam Core

Tapered Cover Design
Ensures run-off for rain and snow to prevent water absorption

Heat Sealed 6mm Moisture Barrier

Corrosion Proof Nylon Zipper
Large #8 zipper with protective flap will not corrode or pull apart

Protective Custom Fitted Skirt
Creates an air tight seal to protect against dust, dirt, wind and environmental contaminants

Bonded Poly Thread
Resists moisture, mildew and damaging UV rays to maintain the outer shell integrity

Drain Gaskets
Prevents moisture from being trapped between the liner and foam core

Industrial Strength Reinforced Handles
Matching marine grade vinyl with quintuple stitched reinforcement

Child Resistant Lock Down Straps
4 durable lock down straps with keys Exceeds ASTM requirements for safety and security

Look for Beachcomber's Quality Stamp of Approval

15 oz Double-Ply Laminated Bottom Liner
Moisture and mildew resistant vinyl composed of a Polyester Scrim to maintain optimal strength and durability

The Essence of Beachcomber

Hear about the care and attention in every hand built Beachcomber. This DVD is a moving tribute to the men & women who build our product.

Founder Keith Scott believes in continuous quality and innovation.

Keith Scott

Founder,
Beachcomber Hot Tubs

Beachcomber hot tubs has 30 years of experience building quality hot tubs, and has always been committed to providing straight forward, honest information to our customers. We have been building covers for 30 years, for different markets and climates all around the world. Every Beachcomber Heatshield Cover is built to meet or exceed stringent ASTM quality and safety Government standards.

Your Authorized Beachcomber Dealership

Beachcomber Heatshield Covers – Locking in heat for all seasons.

Superior Insulation Saves Money

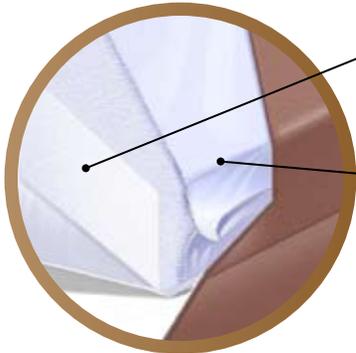

Beachcomber Heatshield Covers insulate your hot tub just like a thermos bottle. Our heavy foam inserts keep the heat in and the cold out, saving you energy and money. These foam inserts act like barriers, to prevent the penetration of moisture laden air, either coming in, or going out. This insulating cover keeps the heat that you pay for, where it belongs... in your hot tub!

Our special Heat Bumper Seal provides an efficient barrier to seal in the heat, and prevents water vapor and air from escaping. Beachcomber Heatshields – superior hand-made stitching and craftsmanship, quality and durability – and guaranteed for any climate!

2 Year Guarantee

2
YEAR
Guarantee

All Beachcomber Heatshield Covers are guaranteed for two years against manufacturer defects in materials or workmanship.

High Density 10% Virgin Insulating Foam Core

Specially formulated for superior insulation and strength. Constructed with 1.5 lbs density foam available in Original and Power Guard.

Heat Sealed 6mm Moisture Barrier

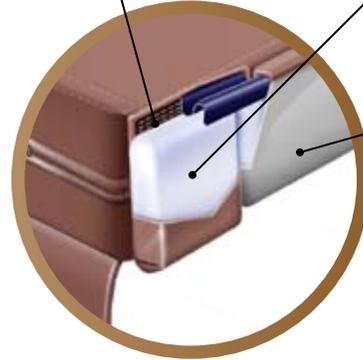

Barrier providing protection against premature moisture absorption.

Nylon Webbing Reinforcement

Extra hinge reinforcement guarantees our heatshield will not pull apart under stress.

Superior Steam Sealer

Provides a tight seal at the edge of the hinge, preventing heat and steam from escaping.

Continuous Heat Bumper Seal

Provides a complete seal between the two heatshield halves, locking in heat and steam along the entire hinge.

Our Commitment to GREEN Efficiency

You pay a lot for energy. You need every advantage to save money and conserve, and at the same time, get the relaxation and therapy you need. We have been energy conscious since 1978.

With our 4WALL Insulation system, HushPump, EnviroSkirt Cabinetry, Perma-Seal Foundation and more, we have an energy efficient package that gives you the best performance in a hot tub. Year in and year out, your Beachcomber will give you enjoyment and relaxation, for just pennies a day.
